RAGE IN LOVE

My heart burns deep
For in what I cannot keep
It is all I know
How far will I go
This love I keep for you
I express in what I do
It is me you should trust
For I'm not in lust
You're as pure as a dove
But sometimes...
There's RAGE IN LOVE

All the tears I cry
Drip slowly by and by
It's not just for show
Love like the river flows
Forever I know it true
All I seek is you
And I will give it my all
Though I may fall
The love I wear
Tells me you're there
Maybe in a dream
It somehow screams
But I won't shove
That's my RAGE IN LOVE

WHY

Why: did God allow me to see you
Knowing I can't have you.
Watching you go by, wanting you
to know who am I.

Why: am I here watching you in
the shadows, hoping of a small
glimpse, that maybe you will
notice who am I.

Why: so tall, so nice and yet
so far away even when you're
near to me, can't touch, only
look, like candy off limits to me.

Why: such memories linger, yet
that's all you'll ever be to me
memories that will never fade
away like a shadow always beside you.
