# Star Wars Humor

By Jon "Red 5" Roberts

Lines you always wanted to hear in a Star Wars film but never will:

**Anyone:** Keep talking, 3PO, what you're saying is intriguing.  
**Random Imperial Stormtrooper:** No, I'd rather not, Sir.  
**Vader:** Ooooh look! What cute, furry little creatures! (Hugging Ewok.)  
**Anonymous Death Star Officer:** Wow, that Vader is touchy today.  
**C-3PO:** No comment.  
**Chewbacca:** Why don't I ever get a girl?  
**Luke:** Jeez, the only woman around and she has to be my sister.

**Random Imperial Trooper:** Emperor Palpatine? Here's that wrinkle cream you asked for, sir...  
**Luke:** (trying to impress girl) Wanna see some neat Jedi tricks?  
**Boba Fett:** You know,

I'm actually a really nice guy when you get to know me...  
**Luke (to Vader):** But what happens if I push this button on your chest that says "Off?"  
 or: This button that says "Reboot?"  
**Yoda:** A Jedi whines not!  
**Vader:** Luke, wait! You forgot your hand!!  
**Luke:** My sister? Oh well, what she doesn't know can't hurt her.  
**Luke:** (to Vader) My father? Bah! Father my missing right hand! Next thing I know, you'll be trying to tell me that Leia's my sister! (Laughing uncontrollably.)  
**Vader:** NOOOOO!! I'll never join you!!!  
**Tarkin:** Maybe we should try talking things over before we do anything drastic.
