Volleyball team digs Disneyland

The Clackamas volleyball team traveled to Disneyland just before spring break to celebrate their Northwestern Athletic Association of Community Colleges Championship. Every player was able to attend the trip to The Magical Kingdom in Anaheim, which lasted four days.

Next fall the Cougars should return five players from this year's squad, including standout Amy Felando, but will miss the leadership of this year's sophomore class.

Clackamas breaks into league play

The Clackamas baseball team is learning what it takes to be a contender early in this spring season.

With 19 freshmen on a 28-man squad, there is not much room for error. Head Coach Robin Robinson and the Cougars quickly found out what happens when bad luck comes their way.

"My frustration," said Robinson, "has been the fact that we haven't had everybody eligible and healthy. We've had a lot of grade problems, a lot of guys with incompletes."

Coach Robinson, although frustrated, has high hopes for his team.

"We have some tremendous talent," said Robinson, "but because we haven't been able to play together consistently, we're not playing consistent. We would have liked to have everybody ready to play a month ago, so that when we hit league play last weekend, we would be playing at our best. Now it's going to take another 10 days or so to get to our best."

Clackamas faced Lower Columbia last Tuesday on the road and showed signs of greatness by jumping out to an 8-0 lead against the Red Devils. That lead quickly evaporated, and the Cougars fell to L.C. by a score of 13-12 in 10 innings.

On Saturday, the team traveled to Lane Community College to face the Titans in a doubleheader.

The games marked the day that Coach Robinson was able to play his entire starting lineup since the season began.

The Cougars broke a 7-7 tie in the ninth inning of the opening game behind Brad Taylor's

R.B.I. single to claim a 9-7 victory.

In the second game of the afternoon, Lane scored four runs with two outs on three consecutive pitches and held on to capture a 6-1 win. Catcher Jeremy Hubbard scored the lone Clackamas run on a solo home run in the fifth inning.

"On this day we showed some greatness," said Robinson. "In the first game we jumped on them 7-0. We had a bunch of hits early and we played really good, no errors, good baseball. Thus far we've split two league doubleheaders which isn't bad because both of them were on the road. But when we play at home, we have to sweep those people in order to stay in the hunt."
