

Campus clubs recruit new members

JEREMY STALLWOOD
Staff Writer

Do you want to share your ideas, express your opinions, participate in campus activities or just be involved in what happens at school? Clackamas has such a wide variety of clubs that your interests are likely to be represented.

Whether you like to be involved in sports or enjoy the arts, this campus offers many reasons to become involved outside of your classes.

Laney Fouse advises the Coyote Circle, a group focused on Native American culture. They meet Tuesdays from 12:30-1:30 p.m. in M257 to "help people understand that Columbus did not discover America." They will later be working with the Environmental Learning Center to revamp the Native American gardens and are planning a powwow on campus in the spring. To contact Fouse concerning this club, call extension 2813.

Fellowship of Christian Athletes is a support ministry directed toward athletic teams on campus. You don't necessarily have to be an athlete, just come and participate in the fellowship. It is a national organization that meets Thursdays from 12:30-1:30 p.m.

in R012. Contact Kathy Woods at extension 2418.

An organization called the Clackamas Community College Cat Coalition Colony Club, or the Seven C's, is offered for those who love, or even hate, cats. The coalition captures feral cats and has them spayed or neutered. They organize fund-raisers to help finance the decrease in population of wild cats. The Seven C's uses veterinarians from West Linn, Canby, and Clackamas, and use the free spay and neuter services offered by the Feral Cat Coalition. They have feral cat feeders scattered around the area. The feeder on campus is located in the woods between the Environmental Center and the Clackamas Services Center. For information regarding this club contact Diane Dennis at 631-7735, or Gary Nelson at extension 2587.

For those of you who enjoy sports but don't have the time to join an official team, there is an organization called Intra-mural Sports. It began as an ASG project last year to involve the general student population athletically. Two students in particular, Tabitha McGraw and Rachelle Snowley have donated their time to fund-raise for these sports activities.

Fall term soccer is offered for winter, basketball; and for spring term, volleyball. The teams meet Monday, Wednesday, and Friday from 4-6 p.m. Currently, the soccer group is using the field located to the right of the main entrance to the college. Non-Clackamas students are welcome, so bringing a friend is encouraged. For information, contact David LeDoux at extension 2247.

If the clubs above don't grab your attention, then maybe one of the following will help you to become involved: Ski Club, Bob Misley, 2376. Racquetball Club, Kathy Woods, 2418. Baptist Students Ministries, Corey Zanotti, 762-0946. Forensics Team, Kelly Brennan, 2726. Spanish Club, Carlota Holley, 2381. HEEL (Helping Everyone's Environment Live), Sarah Gault, 657-6958, or extension 2247. Circle-K Club, Carlie Deham, 654-7102. Deutschen Veren (German Club), Dick Stone, 2392. LDSSA (Latter Day Saints Student Association), Dick Stone, 2392. Ornamental Horticulture Club, Elizabeth Howley, 2389. Textbook Grant Club, Josh Bruegman, 2247. Phi Theta Kappa, Dave Arter, 2210. Writer's Club, Allen Widerburg, 2359.

Take part and be involved in campus activities!

Intra-mural sports expand

New and extremely exciting to this year's Student Government priorities list is the intra-mural sports program. This program has been put into action by Campus Issues Officer David LeDoux. The idea of intra-mural sports is to offer students a chance to get involved in competitive and non-competitive activities. Throughout the year, Student Government plans to have soccer, basketball, softball, rock climbing, rafting and maybe even sky diving, for those who are interested.

Students gather on the soccer field near the Community Center three times weekly and play for at least two hours. The number of those turning out for a game of soccer has allowed the Student Government and the Athletics Department to expand the program. We hope that continued support from the students remains when we offer basketball and softball.

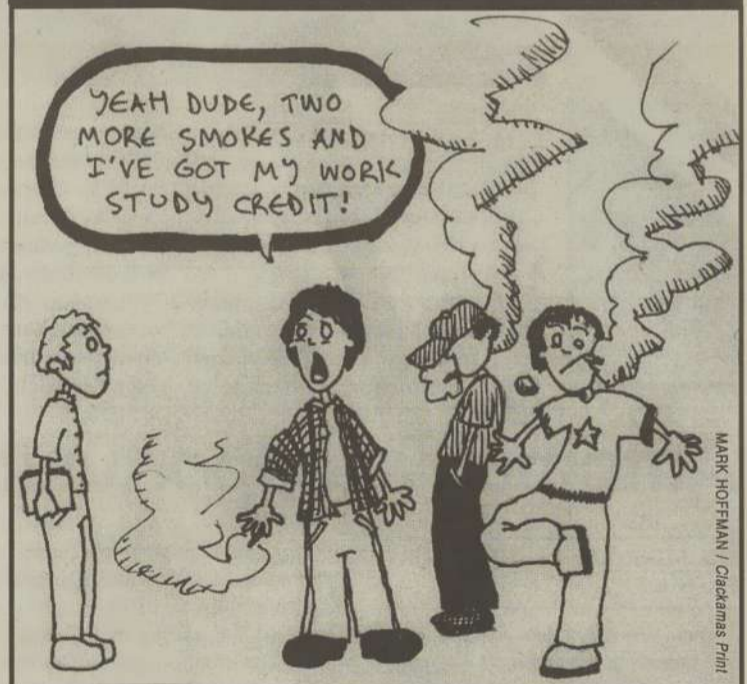

Student Government is also planning to provide students with the opportunity to take part in non-competitive sports. The plan is to get local extreme sports program providers to

offer low prices when Student Government organizes students to take part in these events. If you have an interest in rafting, rock climbing and the like. If you already do extreme sports professionally, please be sure to poke your head into the Student Government Office and let us know.

Our hope is that a few years down the road Clackamas Community College will continue to offer year round intra-mural activities and maybe even have an intercollegiate soccer team. In order for us to reach these goals we need as much involvement as possible from students, faculty, athletics, and other community colleges in Oregon. By the end of the year it is our plan to offer students the best activities schedule in Clackamas' history. If you want to sign up or help please stop by room CC140 or call us at extension 2247. Our job at Student Government is to offer students the opportunity to get involved.
