## LOW-COST ACTIVITIES

**Scavenger hunts**- make a list of items around your neighborhood that your friends can compete to obtain. Stealing is sometimes allowed in this game, so don't blame us for the jailtime.

**Make your own Blair Witch Project**- Sounds dorky, but totally worth it, especially if alcohol is involved.

**Dress in drag**- Grab your friends and get glammed up in the opposite sex's clothing. Go to a normal place like Shari's and wait for the fun and the stares to start.

**Go to a porn store**- Take a tour of the fine adult stores in the area, and prepare to be rollin' in the aisles.
