### College, YMCA offer campus child care

JENNY CHAVEZ  
Staff Writer

Clackamas Community College and the YMCA offer a state-licensed, full-time childcare program on campus for children of CCC students and staff.

The YMCA Child Development Center, located at the Elizabeth McClung Brod Family Resource Center, has both day and evening childcare programs. Trained staffs run the programs and provide a variety of games and learning activities appropriate for each age group of children.

The daytime program is open from 7 a.m. to 6 p.m., Monday through Friday, and is available to

children six weeks old to kindergarten age. It includes a licensed preschool that offers learning experiences in music, movement, pre-reading and pre-math.

The traditional evening childcare is open Monday through Thursday, 5:30 to 10 p.m., for children 2 1/2 to 10 years old. A two-hour minimum enrollment is required.

A short-hour evening program, new this fall, is designed for flexible enrollment and accommodates children 2 1/2 to 5 years old.

For more information on costs and programs, contact Director Judy Kling of the Clackamas YMCA Child Development Center at (503) 657-9795.
