Student Poll

What was your most memorable Valentine's Day?

"I was supposed to have my daughter on Valentine's Day, but it ended up that she was born on the 23rd. I was kinda hoping to have a baby on Valentine's Day."
Joanne Cooper

"I don't even know if I had one."
Daniel Stewart

"It will be this Valentine's Day, cuz we're going to play Chemeketa in basketball and we're gonna win and we're gonna be first place co-champions."
Jennifer Lane

"Last year I was dumped a day before Valentine's Day. So was my best friend, by his girlfriend. What I did with the gift was I kept it, even though it was lacy lingerie, but it is still very comfortable and I rather enjoy it."
Justin Michael Davis

"I have no memorable Valentine Days. They have all been pretty much totally indifferent. It is a totally useless holiday."
Stephanie Henning

"I drove to Idaho to visit my girlfriend and it was really cool, cuz I hardly ever see her and I surprised her with this plaque with a poem on it that I made."
Mike Drennan

"It was probably the time that my mom got really mad at my dad and we were renting movies that day and she just left my dad there. She drove me and my brother home but made my dad walk back from the video store, like 3/2 miles."
Jason Clark

"Me and my sisters got up and TP'd our house because we love our mom."
Emily Hoogendale

Why do you tease me tender love of mine? That my heart may think it has found a love so divine

So sweetly your words whisper into my ear Gentle kisses on my lips 'till the next time we're near

Summers begin wont outshine A single moment with you And winter only arriving If you ever say we're through

Held captive in this lovers dance A victim of wonderful circumstance That your eyes would give me half a chance To dream awake this beautiful romance

By Jasper Gauthier

My words flow like blood, and my soul bleeds in tears
The word love from your voice makes my soul age in years
At ocean side in darkness, just visions of your face
Such an angelic image makes my heart speed its pace
I try to hold back these emotions I feel
Every thought is of you so this love must be real
An unsteady hand puts these words on a page
As I unleash my soul from its ever binding cage
Fear dances on the clouds that drift in my head
Wondering if you believe those words that you said
Hold my breath, close my eyes, and extend my hand to you
Hold me now, kiss my lips, and show your love is true
