## Student Poll

### Do you believe in aliens?

"Yes definitely, why would we be the only planet with living people?"

Teri Hennagen

"I'd have to say yeah, because it would be pretty ignorant to feel that, in the whole universe, we're the only ones here."

Bob Anderson

"I'm not sure. I don't doubt that there's a higher force. (I) would like to see tangible evidence."

Bertha Moriarty

"Hell yeah. The whole question, are aliens out there, is dubious, completely questionable, so yeah, aliens are out there and there are hot women on Mars."

Nick Johnson

"The very thought of life on another planet is preposterous."

Gogomushy
