### Adopt A Soldier

If your idea of fun isn't giving blood, you can still do your part to help out your fellow students. Check out [www.adoptasoldier.com](http://www.adoptasoldier.com). This website is in memory of those who lost their lives and loved ones on Sept. 11, 2001. Adopt a soldier or other military personal member! Write to them without fail, friendship is important. Soldiers can also sign up to receive letters. Some dedication is needed. Once you start writing soldiers, their name is removed from the list. You are their pen pal. Show some patriotic pride and down-load a free desk-top flag while you visit.
