## Clackamas Community College students have a fast track to their bachelor's degree!

If you've completed your associate's degree, you're well on your way to your bachelor's degree at University of Phoenix. By attending one class and one team meeting per week, you can earn your bachelor's degree in two to three years, in most cases.

Because University of Phoenix is designed to pick up where community colleges leave off, most, if not all of your current credits will apply toward your bachelor's degree.

Today, more than 130,000 busy adults are achieving their career goals by earning their college degrees at University of Phoenix. You can, too!

You can do this.

For more information, call today or visit our Web site!
