Don't look now Clackamas, the women's soccer team is undefeated.

Currently, the Cougars sit atop the NWAACC Western Division with a record of 12 wins, zero losses and a tie. This is the most talented team we have had since we started the program," Head Coach Nelson said.

With a team that fields 11 freshmen and only two returning players from last season, the Cougars are taking no prisoners on the field of play. Coming into this Saturday's game against Green River CC, Clackamas outscored opponents by tallying 45 goals to 10. Nelson said the success has attributed great chemistry to their success.

Last weekend, the Cougars showed off that team chemistry winning two games on the road. On Friday, Clackamas defeated Shoreline CC in Seattle. The team showed no signs of fatigue after the bus ride, winning the game 3-0.

"We dominated the whole game," Nelson said. "Our goal

coming into the game was to get the win and the shutout."

The team was led by freshman Vicki Rodriguez who scored two goals, as Emily Ingalls added the third score in the Cougar win.

On Saturday it was the same story in a 3-0 victory over Tacoma CC. Again, Rodriguez was the leading goal scorer with two, giving

her team a leading 19 goals in the season. Freshman Tiana Meduri also scored in the game.

"[We] didn't play as well as we should have, but in the second half we turned it on," Nelson said.

With seven games remaining on the schedule, Nelson wants to make sure that the team stays strong.

"Knock on wood," Nelson said. "We have been pretty healthy. We need to continue to get better as a team and challenge ourselves."

The cougars will be at home

this Saturday to battle Green River CC, a team which they dominated earlier this season with a 6-0 victory. The game time is 1 p.m.
