Your Horoscope for Today
With Dr. James Tombe, Master of the Stars

Aries (Mar 21 - Apr 19) You will finally get an answer to that nagging question, "Who's your daddy?"

Taurus (Apr 20 - May 20) Well, a positive way to look at your demise is to see it as a once-in-a-lifetime opportunity.

Gemini (May 21 - Jun 21) No one would understand the forbidden passions you share with a secret lover this week. Luckily, barns don't have windows.

Cancer (Jun 22 - Jul 22) Your sudden need for glasses will prove once and for all that it does make you go blind.

Leo (Jul 23 - Aug 22) You will get a new piercing this week as a result of an unfortunate fishing accident.

Virgo (Aug 23 - Sep 22) You will realize that not everyone shares your penchant for blonde jokes when it leads to

a painful groin injury. **Libra (Sep 23 - Oct 23)** A moment of clarity, realize that you don't damn about your appearance. **Scorpio (Oct 24 - Nov 22)** Error 404. Future is uncertain.

Sagittarius (Nov 23 - Dec 21) You will win an expense-paid trip to a remote locale. Not coincidentally, this will be soon after the draft is reinstated.

Capricorn (Dec 22 - Jan 19) The good news: you're perfectly healthy. The bad news: those gums hurt.

Aquarius (Jan 20 - Feb 18) You will pick up a new pet today.

Pisces (Feb 19 - Mar 20) Embarrassment will be your report on yellow journalism upon being informed it has nothing to do with house-breaking a pet.

CAMPUS HAPPENINGS

Chrysalis, a women writers' group, meets every Wednesday from noon to 2 p.m. in Roger Rook's Literary Arts Center (RR 220). Local author Pat Lichen guides writers of all levels through discussions of their work. For more info, call ext. 2220.

The only public observatory in western Oregon, the Haggart Observatory, is open for public viewing on clear Saturday nights. The observatory opens at dusk, and viewing begins at dark and continues for about three hours. A \$3 donation is requested. For more information, visit the Haggart Observatory Web site at <http://depts.clackamas.edu/haggart> or call 503-657-6958, ext. 5665 or LOOK. The observatory is located at the John Inskeep Environmental Learning Center at CCC.
