did you know?

There is a famous landmark in Baltimore, MD, the 234-foot tall Shot Tower, which was once used for the manufacture of cannonballs. Amazingly it was found that molten metal dropped from the top of this tower reached the bottom in near-spherical form.

This is caused by the cohesion (attraction) between molecules in a liquid surface which is called SURFACE TENSION and this is the force that draws a drop into a spherical shape! Another truly amazing science fact by Dr. Hack the science Quack. Please send any questions that you would like answered or random comments to gurfunk13@hotmail.com.

Your Horoscope for Today

With Dr. James Tombe, Master of the Stars

In order to celebrate the lunar New Year, this week's horoscope is based on the Chinese zodiac; just find the year you were born (if not listed, add or subtract 12 until you get your birth year).

Rat (1984, 1972, 1960, 1948) Your ability to tell on others empowers you.

Ox (1985, 1973, 1961, 1949) I would say that your comprehension limits you to a monosyllabic vocabulary, but, sadly, you wouldn't understand.

Tiger (1986, 1974, 1962, 1950) You may think you're "bouncy and trouncy," but trust me, you are not the only one.

Wabbit (1987, 1975, 1963, 1951) Your habit of cross-dressing often gets you out of hair-raising—I mean, hair-raising—situations.

Draggin' (1988, 1976, 1964, 1952) You can't even be bothered to get up off the couch, let alone finish reading your horo—

Snake (1989, 1977, 1965, 1953) You are the type that spends a lot of their time in trousers, for some strange reason, but not always their own.

Hoarse (1990, 1978, 1966, 1954) You have a tendency to scream a lot when you are offended by horoscopes.

Ram (1979, 1967, 1955, 1943) You have a photographic memory, but only up to 256 KB.

Monkey (1980, 1968, 1956, 1944) You have a tendency to be very spankable.

Cock (1981, 1969, 1957, 1945) This one practically writes itself.

Dawg (1982, 1970, 1958, 1946) You're never quite so happy as when you are burying a bone.

Bore (1983, 1971, 1959, 1947) There's nothing I can say about you that you haven't already told others several times already.
