Cougars rise to top of the league

The Cougars prove themselves to be a formidable opponent as they knock Mt. Hood Community College into third place in the division and take their place as the current first-place holder

Megan Koler

Editor in Chief

Clackamas baseball is now first in the league, bumping top-ranked Mt. Hood down to third.

Cougar baseball won its doubleheader against Mt. Hood Community College last Saturday 3-2 and 1-0. The team tied its doubleheaders with Lane Community College and Chemeketa Community College.

Clackamas' Northwest Athletic Association of Community Colleges (NWAACC) standing is now 16-6, which puts the Cougars in first place with

eight games — or four doubleheaders — until the NWAACCs.

"It feels really good (to be first)," said Baseball Coach Robin Robinson after a great weekend.

Team captain Bryan Roby is excited to get to the championship game after almost making it to the playoffs last year.

"We have a good shot to go (to the championships) this year ..."

Bryan Roby
Team Captain

"We have a good shot this year," Roby says. Roby credits his recent success with the team to the sophomores present.

"It's good to be out there and guide the younger guys."

Baseball's next game is at home this coming Saturday against Lane Community College at 7 p.m.
