## Jesus

Jesus can be found for \$6.99 at the Oregon City Goodwill. The Lamb of God comes with robe and sash, and may also help you repent for any sins that you may commit on Halloween.

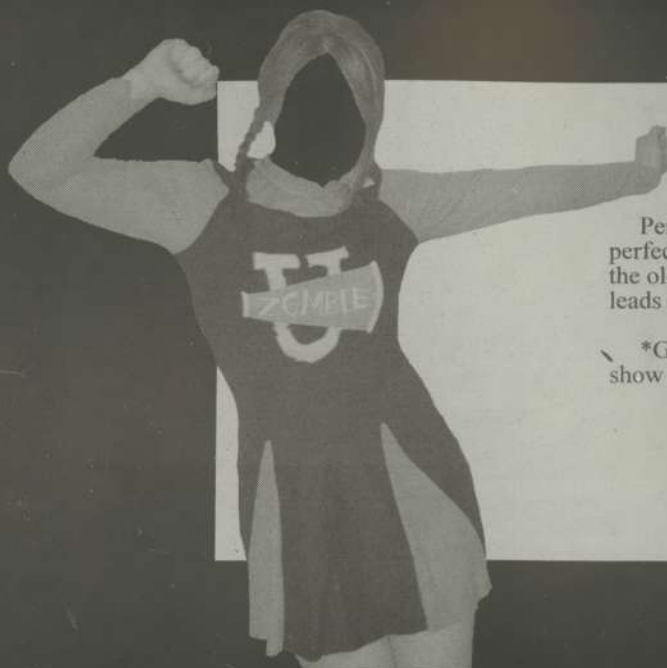

\*Add a Two-Face mask for an entirely new option of battle-damaged Jesus.\*

## Picard

If you aren't cool enough to ever try to be as awesome as Kirk, maybe the lesser Captain Picard is up your alley. For \$4.99 at the Oregon City Goodwill, you can try and command everyone at the party and maybe even get somewhere.

\*Add black tubing to your hands to say you are "becoming one with the Borg."\*

## Cheerleader

Perky, fun and full of spirit, cheerleader is the perfect \$6.99 costume for the girl who wants to relive the old days, or mock the false sense of teamwork that leads to horrible movie like "Bring it On."

\*Go with some zombie make-up and continue to show that even the dead still have some spirit left.\*
