WHY OIT?

**Andy Odle—Software Engineering Technology
Class of 2010**

"I came to OIT Portland because to write interesting and useful programs as a software engineer and OIT was the best way to achieve this. I have worked on projects including PacMan game clone, LEGO challenge course, and group environment simulation."

OIT has agreements with community colleges. You can start a degree there and then finish at OIT. OIT is a leader in applied engineering technology, management, health and renewable energy education.

OIT was ranked in the top ten Baccalaureate Universities in the west in 2008 and 2009 in the News and World Report. OIT has a 98% graduation success rate. The average starting salary for a grad is \$54,000.
