

# Marriage of Bette and Boo'

LEFT: Despite having known each other only a sparse two months, Bette and Boo are very much in love and eager to begin their marriage, as illustrated by the ecstatic rushing of their vows.

MIDDLE RIGHT: The Brennans pose for a family photo before the official wedding ceremony begins.

RIGHT: The honeymoon of Bette and Boo is as zany and scatterbrained as the newlyweds themselves as illustrated by the husband being on the phone with his father and the wife wondering about how many children she hopes to have.

LOW RIGHT: The happiness of the two families in the wedding pictures belies the darkness lurking in the near future.

VERY LOW RIGHT: Even estranged from her family and dying of cancer, Bette remains a vibrant, if a bit eccentric, character right up until the end.
