

horoscopes for the week

By Swami A. Skywalker

Aries (March 21-April 19): This week you will meet an old friend of your father's. Trust him, he seems legit.

Taurus (April 20-May 20): You may get some disturbing news this week. You may want to head to a cantina to find some help.

Gemini (May 21-June 20): Fights may spring up around you this week. Just don't close the blast doors to your heart.

Cancer (June 21-July 22): You will lead a small group of your allies' against your sworn enemy this week.

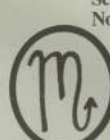

Leo (July 23-August 22): You just may succeed at doing something epicly hard in the coming week.

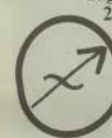

Virgo (August 23-September 22): Being trapped is a difficult thing. Though this week you can rely on your friends to get you out.

Libra (September 23-October 22): All might seem well but your enemy quickly approaches. You may need to flee instead of fighting.

Scorpio (October 23-November 21): You have the advantage this week. You may catch the people causing you trouble red handed, though they may escape your reach.

Sagittarius (November 22-December 21): I'm going to tell you a secret. I am your father. But seriously bad mojo is going to happen this week. Make sure you're all in one piece.

Capricorn (December 22-January 19): A close friend may need assistance this week. Be the knight you were meant to be.

Aquarius (January 20-February 18): You may find yourself in a fight with someone you care about. This week is your chance to help them.

Pisces (February 19-March 20): A wise old man once said, "do or do not... there is no try." Remember these words and you may free yourself from unwanted burdens.

sudoku

How to play:

Make sure the numbers 1-9 are in each box. At the same time, there must be the numbers 1-9 vertically and horizontally. All numbers must match up accordingly.

			5			1	3
