Above is a representation of the game-day expenses of each sport per athlete. Costs include travel, uniforms and equipment.

With the athletic year winding down, we've decided to take a look at where the athletic department spends its money. Numbers range widely from sport to sport, with men's basketball as the big budget king. Men's basketball spent more overall than any other program, followed by wrestling and baseball. On the women's side, soccer and volleyball had the biggest money grab, each spending around \$29,000 for their season.
