Above: Freshman defender, No. 12 Jordan Hollamon, from Salmon Creek, Wash., flies high for a ball in the Cougars 3-1 victory over Chemekeeta on Friday at OCHS. Sophomore midfielder Kelsie Knight lit up the back of the net with all three goals for Clackamas in the win. Clackamas controlled the ball throughout the game and after Knight's first goal 11 minutes into the game, the Cougars focused on defense. Cougar leading scorer, Tayler Ficek, was forced to the bench at the 41-minute mark after getting hacked hard by the Storm. With the victory, the Cougars clinched the Southern Region top seed and a bye in the first round of the NWAACC tournament.

Left top and bottom: Freshman midfielder, No. 10 Niki Dillon from Canby, showed great hustle and ball handling in the win against Chemeketa. The Cougars lead the southern region in goals scored (42) and goals against (7) this season. Clackamas leads the NWAACC with 11 shutouts this season.

The Cougars (12-2, 13-3) have now won the Southern region championship in five of the last six seasons (2007, 2008, 2010, 2011, 2012). Clackamas is shooting for its fourth NWAACC title in team history after previously winning it all in 2004, 2005, and 2007.

Clackamas hosts a home quarterfinal game on Saturday, Nov. 10 at 7 p.m. at OCHS Pioneer Stadium. The opponent is yet to be determined. It will be the last home contest of the season, so get out and support your Cougars.
