**D**ear reader,  
Welcome to a new school year, and a new The Clackamas Print! With a crew made of old and new, a spanking new redesign, and a lot of inspired editors, we thought we'd take a minute to introduce the editors in chief of this 2014-15 operation: Erin Carey and Zak Laster. We promise to keep the students and staff updated with the college's upcoming events.

Hi, I'm Erin Carey, I wanted to become chief editor because The Print has been the one place that I've found so many of my friends. Journalism has been a passion of mine since my grandma would sit me down with a copy of The Oregonian and tell me to read it, so I could tell her everything later. I'm known as the sassier part of this team, and I always have the mouth to prove it. I'm adept at bad jokes and baked goods, and I'm clueless about sports. My aim this year is to share my love of working at this paper with anyone who joins, with the hopes that they create the types of friendships that I have by walking through the door.

Hi, I'm Zak Laster, I'm a HUGE sports fan. Working on The Print has given me the opportunity to be able to cover Blazers games and experience what sports journalism is all about; ultimately, that is what I want to do with my life. I've always been the sports nerd who watches ESPN all the time, and reads every newspaper sports page and Sports Illustrated. If you need to know a sports fact or win a trivia contest with your friend, I'm the one to call. I'm a huge Oregon Ducks fan and I'm always trying to get to as many games as possible. To be able to go to games and get paid for it is my dream.

This year we aim to keep the students at CCC informed of what matters to them, news of bond measures and tuition raises, information about all the plays and the best places to eat, and sports with all the team's activities events and health tips. Stay tuned for a great year with us!

Sincerely, Erin Carey and Zak Laster
