

# Cougar Poll: Best and worst classes

by Megan McCoy & Jose Velazquez

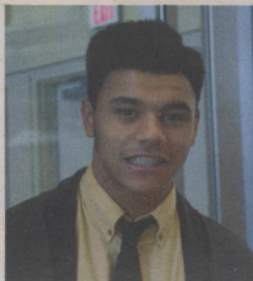

Registration is underway, and many students are wondering if they will enjoy the classes they are signing up for. A few students from Clackamas Community College have opened up about what classes they liked and disliked, to help those questioning their decisions.

## Iran Zarate

**Favorite Class:**  
Small engine repair. It's fun and you still learn a lot.

**Least Favorite Class:**  
Mechanics, because of the way the grading system is. The final test is worth a lot of the points for the class.

## Demetrius Frank

**Favorite Class:**  
Combos and large jazz Ensemble.

**Least Favorite Class:**  
Careers in music, because it's a very long class.

## Stacy Yanez

**Favorite Class:**  
Leadership.

**Least Favorite Class:**  
English and business, because of the large homework load.

## Tatiana Morozoba

**Favorite Class:**  
Volleyball, because it's a good break from the homework-heavy classes.

**Least Favorite Class:**  
None, yet!
