

New logo is 'not bad'

"Wasn't too excited about any of the options. Maybe something with more school/mascot pride or something related to what the school does."

-Jacob Buswell

"I didn't know we had a logo, but it works for me. It would've been cool to have something more personal though."

-Caiya Nielson

"Compared to the other options, it doesn't look that bad."

-David Whitt

"Not bad. I like it a little better than the old one."

-Blake Imper

"The old one seemed outdated. I like this one better."

-Missy LeDoux

Clackamas Community College's new school logo: is it a yay, or a nay? Students and staff on the CCC campus were approached by The Print and asked about the new logo and how they felt it represents the school. The majority of the students were completely unaware of the new change and were indifferent to the new logo.
