Remember to take into consideration the wait times as Mother's Day is one of the busiest days of the year for these restaurants.

Biscuits Cafe is one of the closest locations to Clackamas Community College; they have an open seating area that's perfect for small groups. Biscuits offers a wide variety of pancakes making it a good

place for anyone looking for a large selection. Biscuits Cafe is also known for their omelets as well as their many vegetarian-friendly options. If you're looking for really good hashbrowns, Yvonne's has you covered with their Rosemary Hashbrowns. They also offer mimosas with variety of juices to pick from. The only downside to this restaurant is that the location is a really small. That said, it's safe to expect a wait on Mother's Day.
