New board member appointed

In December 2018, Ron Adams retired, leaving a position open on the Clackamas Community College Board of Education. The position has been filled by Betty Reynolds, retired state executive and long-time member of public

education. The position is dedicated to representing the West Linn-Wilsonville district among the board. She is still serving on the West Linn-Wilsonville School Board and will continue to until June 30, 2019.

Spring term

With April showers bring May flowers... and also spring term! Registration for the 2019 spring term begins on Feb. 25 with classes starting on April 1. The

spring term class schedule is going to be released online on Feb. 21 and the physical copy will be available the same day as registration.

Presidents Day Holiday

Every year, on the third Monday of February, many of us get a day off. On Feb. 18, the college will be closed in honor of Presidents Day. But the college isn't the only place that's going to be closed; the

U.S. Postal Service and banks will be closed down, the DMV and courts will not be open, as well as stock markets and schools. Grocery stores will be open and most retail stores even hold Presidents Day sales!

DUI checkpoints increased

Clackamas County Sheriff's Office increased patrols in an attempt to decrease the number of impaired driver accidents. Forty drivers in total were detained as a result of the

Sheriff's Office's efforts. The goal for the month of February is no fatalities, and in order to do so the patrols will grow as the month progresses.

Fruit tree grafting

The Home Orchard Society is hosting a whip grafting tutorial for fruit trees. Rootstock and Scion Wood will be provided, though a straight edged knife

will be required along with a fee of \$20. Sessions will last from 9 a.m. to 3 p.m. on Feb. 23 with three different sessions offered in those times.

Black History Month film

The Multicultural Center is hosting a showing of "More than a Month" in the community center on Feb. 20 at noon in honor of Black

History Month. The film tackles diversity, the concept of freedom and what it means to fight for your place.

Winter term finals begin on March 18.

"The Effects of Unexplained Phenomena"

By David Mylin

See next week in issue 13!
