LOOKING FOR A MATH CLASS THIS FALL?

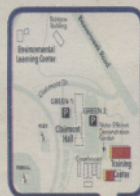

Clackamas Community College is offering split-level evening algebra classes at our Wilsonville and Harmony campuses!

Back-to-back math and writing classes now available fall term!

For your convenience, the Math and English departments are offering back-to-back math and writing classes in the Training Center.

The Beaver Creek Entrance Initiative pairs up these classes in one location, saving you time from having to rush to another class across campus, and getting you a great parking spot on the other side of the Oregon City campus!
