WHO WE ARE

The Applegate Valley Community Newspaper, Inc. is a nonprofit 501(c)3 corporation dedicated to the publication of the *Applegater* newspaper, which, we feel, reflects the heart and soul of our community.

Our Mission

The nonprofit Applegate Valley Community Newspaper, Inc. (AVCN), provides the many rural and diverse communities of the Applegate Watershed with a communications vehicle, the *Applegater* newspaper, free of charge to all watershed residents. Our quarterly paper presents constructive, relevant, educational and entertaining reports on a wide variety of subjects such as:

- natural resources
- ecology and other science information
- historical and current events
- community news and opinions

AVCN encourages and publishes differing viewpoints and, through the *Applegater* newspaper, acts as a clearinghouse for this diverse community. We are dedicated to working together with community members to maintain and enhance the quality of life that is unique to the Applegate Watershed.

Acknowledgements

Some Applegaters are missing!

Were they abducted by aliens and taken away in a spaceship? Where have these Applegaters gone?

Why do we think these people are missing? Because, after our recent fundraising drive, we are still approximately \$6,000 short of our goal to finance the *Applegater* for 2012. With the rising cost of printing and postage we need YOU—the rest of the Applegate readers—to please send in your donations. \$5 is all we need from each household to enable the *Applegater* to be published for another year. Some readers sent in more than \$5—this is appreciated by us and those who can't afford to donate at the present time.

Is the paper not valuable to residents to find out what is happening in the Applegate Watershed? Do people use the informative maps and other information that you find only in the *Applegater*? Are they using the paper for fire starters? Puppy training?

Take a minute and send in your \$5 donation today. All donations to the *Applegater* are tax-deductible.

Don't make us send Guido after you... Thank you!
