Annual Higher Education Student Gathering

article by: Kelly Ball

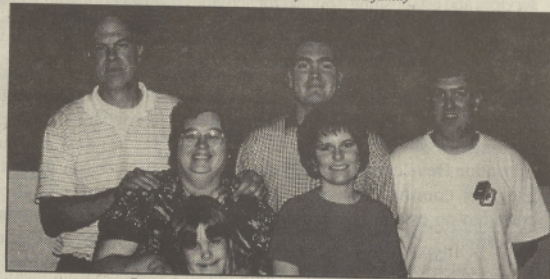

pictures by: Bev Youngman

On Sunday, June 14, 1998, the Annual Higher Education Student Gathering was held at the Siletz Tribal Community Center from 12:00 noon to 3:00 p.m. The gathering was well attended by graduates and their families, current students in the Higher Education/AVT Program, Tribal Elders and Tribal Council. Graduating students received a brief bag with the Tribal logo on them. Many thanks to the Education Committee for donating the brief bags.

Our special guest speaker was Lillie Butler. Thank you for attending and speaking. Other thanks goes to: Clifford Case for help with setup and speaking; Education Committee Members -- Wayne Case for gathering the mussels for the chowder; Caroline Easter and Divona Christiansen for all your help in food preparation, cooking and cleanup -- Bev Youngman for helping MC and with all the detail work, flowers and cake. And, thank you other staff, friends and families of the students for your help and support.
