

TRIBAL PROGRAM NEWS

Three Head Start students enjoy karaoke.

Field trips are part of the program.

The whole family can get involved.

Siletz Tribal Head Start

We offer a developmentally appropriate program with a Native American curriculum. We have highly qualified and professional staff. We offer programs to help children with **language, social/emotional, and physical** development. Parent skill-building activities, family health programs, and support services also are available.

Our program is free!

We are accepting applications for children who will be 3 or 4 years old **on or before** Sept. 1, 1999 (sorry, no exceptions).

Our program is mandated to serve certain groups of children before others. A preference is given to **Native American children, children with disabilities, low-income children, and children who are 4 years old.**

For an application, contact DeAnn at 1-800-922-1399, ext. 264, or
