Today

Today is a new day.

The sun is shining bright.

I have to pick the berries and find some dry wood.

My husband needs to find more food today while hunting.

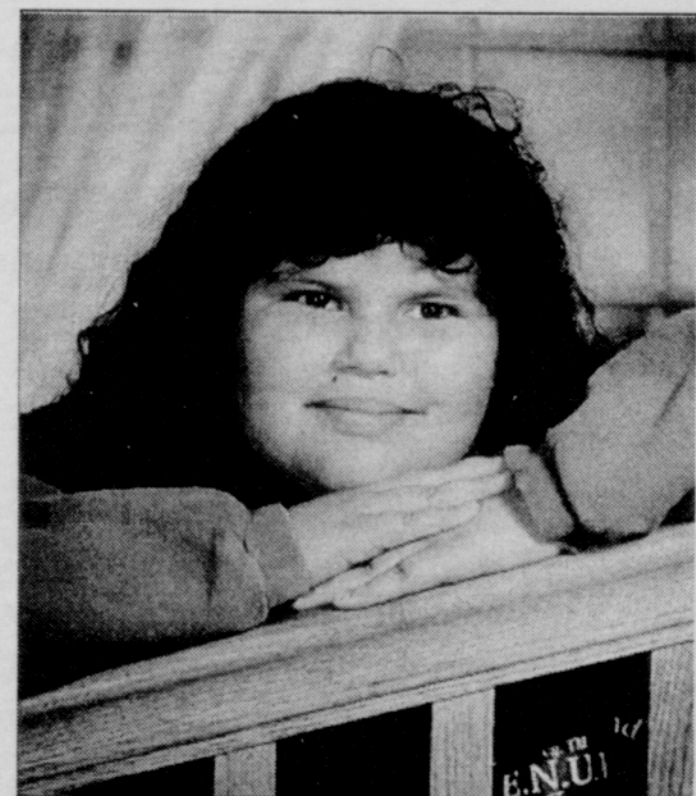

My children play games with sticks and balls.

My newborn lays on the fur and cries.

Lord up above, help me for all my needs.

For indeed the generations next will need my strength that you will give me.

Tiffany Dawn Stuart, Kansas City, Mo.

Kara Towner,

Good luck in high school from your family, and love from your Dad.
