### Lincoln City Man Wins Chevy Drawing

Dec. 19 was the day of the drawing for the bright, shiny, red 2000 Chevy Impala at Chinook Winds Casino. Despite road closures that had crippled Lincoln County, a good crowd was on hand.

Twelve keys were drawn over a period of two days, determining who the finalists would be. After the name of the 12<sup>th</sup> finalist was drawn at 5 p.m. on Sunday, the plastic key that each winner had been awarded was traded for a regular car key. Only one could start the ignition of the Chevy and determine the grand prize winner.

People gathered in anticipation to see which of the 12 finalists would be the lucky winner. The first 10 didn't hear the characteristic ding, ding, ding just before a car turns over.

### Keno "Sweetheart Sweet Sixteen" Promotion

Keno players have the chance to win a trip to Las Vegas in the "Sweetheart Sweet Sixteen" promotion. On Feb. 13 at 5 p.m., we will draw a lucky winner to receive four nights and five days at the Excalibur in Las Vegas, including airfare!

To enter the drawing, players must purchase a \$3 Sweet Sixteen ticket and play five (5) consecutive games, making the price of the ticket \$15. Only those playing a Sweet Sixteen game for five (5) consecutive games will be allowed to enter for the trip. No other combinations or games will be allowed.

General Manager Gordon Dickie (l) with Jack Robben

won anything on a drawing before!" and before the paperwork was all filled out, Robben gave his son, Greg, a call to share the good news.

All remaining entries from the Impala drawing will be mixed with the KIA entries because so many Impala entrants were unable to attend the drawing due to road closures. So, spread the word that Impala entrants are eligible to win the KIAs. In addition, all the entries in the drum from the first KIA drawing will be held over for the second drawing.
