I Am

I am a thoughtful 12 year old girl that loves to play basketball, and a member of the Siletz Indians

I wonder what will become of me when I'm older

I hear the sounds of millions cheering and I wonder what for

I see me in the limelight

I want to be dedicated to my tribe

I am a thoughtful 12 year old girl that loves to play basketball, and a member of the Siletz Indians

I pretend to be a star

I feel that I will go far

I touch the hearts of many

I worry that my dreams will not come true, when I wish upon a penny or two

I cry when someone in my family gets hurt

I am a thoughtful 12 year old girl that loves to play basketball, and a member of the Siletz Indians

I understand my place in life

I say stand up for what you believe in

I try to fill my role in my family

I hope I will get a puppy

I would like to take this time to say Happy 21st Birthday to my Brother Ray. You have walked many long and hard miles, but with your faith in your own program, you have come a long way. Many people don't know or may not even care what it means to have 21 years. To me, it means courage and a lot of faith in whichever way you believe in. I'm proud to be your sister and I'm glad I was blessed to be able to witness the struggles and the good times throughout these 21 years.

Love, Rena

I would like to wish all my aunts Happy Mother's Day - Ann Mcguire, Fran Seversen, and Vicki Harrison. **I love you all very much.**

Love, Rena

Janet Dair: I hope you have a special Mother's Day.
