Enrollment News!

by Lisa Norton

In the interest of any future per capita payments, you **must** have a copy of your Social Security card in the Enrollment office. Per capita checks will **not** be released unless I have a copy of that card.

Also, please remember that your name on your Social Security card must match your name on the roll. If you need to change your name on the tribal roll, please contact me.

The list of missing moccasins is growing. You can find a current list on page 16. Please look it over. If you know the address of somebody on this list, please contact me or let him or her know.

Important information cannot be mailed without a valid address for you. The address
