Members of the Native American Church of Siletz accept a \$500 check from the Siletz Tribal Charitable Ad-Hoc Committee. This donation is part of \$30,790 the committee distributed in June in ceremonies held at Chinook Winds Casino.

Charitable Committee Seeks Requests

The Siletz Tribal Charitable Ad-Hoc Committee is looking for donation requests. The deadline for fourth-quarter distribution is Aug. 31, 2000. The committee will meet in September to review requests and award donations. Criteria for contributions is as follows:

- (1) Requests will not be given to individuals for sponsorship (i.e., an individual requesting assistance to attend camp).
- (2) Requests must benefit an organization or group (number of tribal members benefiting will be considered).
- (3) Tribal elders activities and tribal youth events will be considered a priority (Siletz- and Toledo-area schools).
- (4) Other charitable contributions may be made for the following purposes: education, health and social services, the arts, cultural activities, historical preservation, gambling addiction, prevention and/or treatment, and activities that promote economic self-sufficiency.

The requesting organization must agree to allow publicity after it receives a donation. The committee also will require an update explaining the results or benefits of the donation.

If you have any questions or would like a "Request for Charitable Contributions" form, please contact the executive secretary to Tribal Council at 1-800-922-1399 or 541-444-8203.
