

Guy Di Torrice Hired as Special Events Manager

Guy Di Torrice was hired as special events manager for Chinook Winds Casino in September.

Most recently the executive director of the Central Oregon Coast Association and contract manager for the Oregon Coast Visitors Association, Di Torrice has established a network of contacts in the tourism industry and a good rapport with businesses and organizations in coastal communities. He is a graduate of Colorado State University, with a BA in technical journalism (radio-television), and Rangely College, with an AA liberal arts degree. He has held many executive positions in marketing and public relations and also has exhibited a strong commitment to public service and community organizations with numerous awards to his credit.

In reference to his new position as special events manager, Di Torrice emphasized, "I am excited about working with a strong and positive management team and expanding special events at Chinook Winds Casino & Convention Center to strengthen the year-round attraction of Oregon's Central Coast."

Poker Football Fever

Catch Football Fever on Monday nights! Every player seated in a game will have a chance to win money every time a score is made. After a score, a seat will be drawn and that person will receive \$5 in chips. If he or she is a pre-registered fan of that team, the prize amount will double! Plus during the week, every full house, four of a kind, and straight flush made in a "live" game will give you one, three, and six squares on our **free** football board for Monday night's game. Each quarter pays \$25. Finals score pays \$50, with a \$25 "mystery square."

High Hand Rewards in Poker

On every Tuesday, Wednesday and Thursday in November, the high hand of the day will pay \$25 cash if it is a full house; \$50 cash for four of a kind; and \$75 for a straight flush. During this promotion, the normal high hand of the day award will only be in effect on Friday through Monday. *Omaha is excluded from this promotion.
