Thank you

I, Trina Case, would like to take this time to express my heartfelt thanks to all of the friends and family for everything you have done for myself and all of the Case family. I have felt the love and compassion from so many and want to say thank you for being a part of our lives and helping us through the difficult times, for your physical help, financial help, emotional support, and prayers. Thank you also to let you know your donations to the boosters totaled over \$300. Thank you for helping to keep Clifford's dream alive.

Trina Case

To the family and friends who were there for us during sorrow, thank you for the food, cards, flowers, visits and phone calls. Words can't say how much it means to know you care.

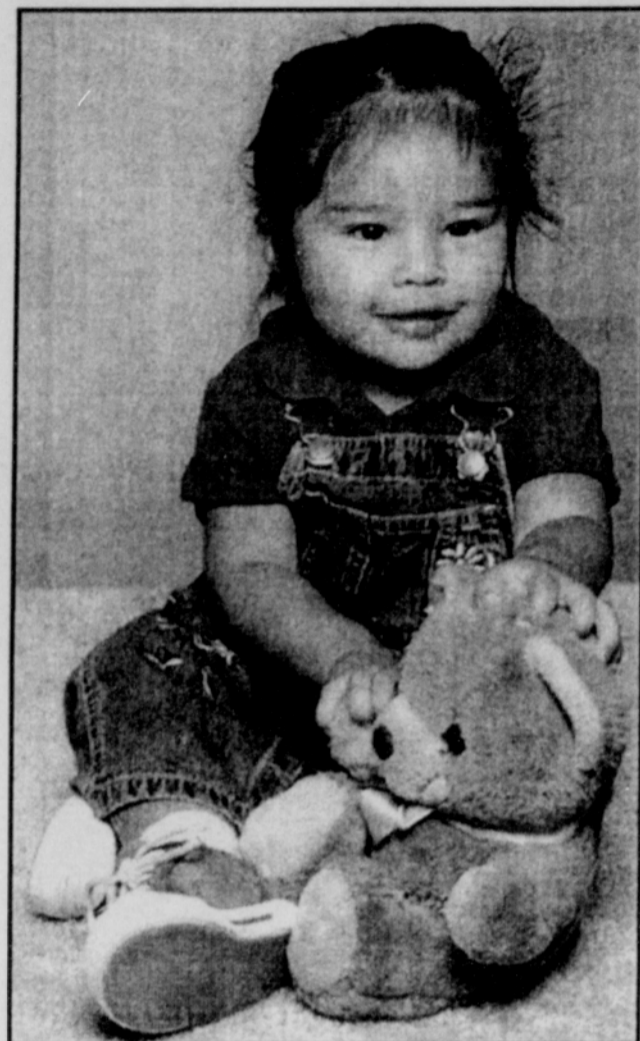

Love, Ardella and Shannon

On behalf of all family, extended family, and tribal members currently confined within the Oregon State Penitentiary, we offer our condolences and prayers of support to the Clifford Case family. We collectively hope that one or more members of the family will pursue Clifford's commitment and dream of bettering the Siletz Nation.

Rest in peace Tillikum, you are remembered.

Quick, over the years we've seen one another through our share of highs and lows. Through it all, we've managed to maintain a certain level of respect for each other and I want you to know that I appreciate that. I value the memories I possess of you and I wouldn't change anything even if I could. I miss you.

Today our struggles are different and the paths that we've taken in life have managed to put some real miles between us, but in the end, one thing remains the same - I'm here for you and I always will be. I love you, Boo.
