Dali Lama, con't from page 6

peaceful. Anger, hatred, fear equal loss of digestion and sleep ...

Physical beauty is important, but even more important is mental beauty. If your company wants a good image, then you should show more compassion to your workers. Some of today's unhealthy things happen because of past negligence - make use of that knowledge to make a better world. Taking care of others' interests is actually taking care of myself ...

Points of concern about the future. The future very much depends on you. You have a great responsibility and you have a great potential. Remain optimistic. On anger - school shootings: When attacked, if you can run, run away quick (the Dali Lama chuckled, but was in a moment serious again). When attacked, if life-threatening, react and shoot back, but **only** to hurt the other, not for complete destruction. Forgiveness does not mean you forget the act; you still need to be aware of its wrongfulness. Success is to not develop hatred of the individual. That is the true goal of forgiveness.

Rather than destructive emotions, analyze how destructive anger is for my mental state, acquire willingness to
