**Chrystal, we are so very proud of you** for the goals you have set for yourself and have achieved, and wish all your hopes and dreams come true. It seems like only a couple of years ago you were running around as a toddler in pig-tails and then catching the Head Start bus starting your school years. And now, by the time this is in Siletz News, you will have moved away, starting another school adventure in your chosen career.

You know your Dad still wishes you were still his little girl in pig-tails running around asking a million questions. Here I sit, (your Mom) crying my eyes out as I type this for you, as I know you are leaving us soon. I am going to miss you so very, very much, as well as your Dad, brothers, and the rest of the family. Remember, we are a phone call away. Okay, you don't have to call every day, maybe every other!

Remember, you are a small-town girl moving to the "Big City," so please be very, very careful. I know what you're thinking ... "Mom, you're embarrassing me again!" But that's what parents do, as we love our kids so very, very much! You will understand one day when you have kids of your own.

Good luck and best wishes always. We love you very much and are so very proud of you!

Love with all our hearts, Mom, Dad, Matt, and Shane

To Auntie Doodz (Shaunde'), Happy 2<sup>nd</sup> Birthday. Don't worry little mama, terrible 2s only last a year. But then you have rotten 3s to look forward to. But no matter how terrible or rotten they are, you'll always be loved 100 percent.

Love, Auntie Sheila, Uncle Darrin, Breanna, and Brittney

Congratulations to our high school graduate, Alfred "Buddy" Lane IV. Buddy also was awarded the Sharon Butler Memorial Scholarship. We are very proud of you and we love you very much!

Love, Mom, Dad, and Alissa

2001 graduates, we would like to congratulate the seniors of the class of 2001. We are all so proud of you ... Alfred Lane, Brandee Logan, Brandon Case, Chrystal Williams, Holly John, Jack Cordova, Kymber Garrett, Marcus Butler, and to all other seniors as well. Some of you started school together 14-15 years ago in Head Start and now have graduated together from high school. You probably were thinking this day would never come ... and now it has. Be proud of yourselves!

We also would like to congratulate one more person and that is Lincoln Lewelling for getting his GED. All right, Lincoln!

Good luck and best wishes to all of you! You did it! Don't stop now ... follow your dreams!

Poppa and Debbie Williams

Happy Belated Birthday to my **younger** sis', Julie Hodges. Julie had a birthday on May 2.

I would also like to congratulate my nephew, Brett Hodges, for the awesome victory. Brett finished first in a BMX race. He raced on Saturday, the day before Mother's Day, in the BMX Mother's Day event. He got the biggest trophy you've ever seen. The incredible part of this story is that Brett has only raced in six races and has taken first place in all. Brett is in the Eugene/Springfield area, so we know that he has to be great to compete in such a large area. "Way to go Brett." I love you more!
