

## Sacred Ground Outreach Welcomes You

by Dan and LaRita Lundy

Please join us at our multicultural ministry on Sundays at 10 a.m. and Wednesdays at 7 p.m. at the Siletz Valley Grange hall.

We are a Foursquare Gospel Church planted here by the Newport Foursquare Church of Newport, Ore. The thrust of this ministry is to provide a place where multicultural worship and teaching can take place.

We are specifically called to reach out to the Native American community as well as the community in general here in Siletz. Some of the music will reflect the Native American culture in style while keeping Jesus in the center of it. Many of the messages will deal with cultural issues within the community as well as worldwide.

All cultures are welcome. All races are welcome. Please feel at ease here. We don't want anyone to feel left out or unwanted. Jesus loves every person on the face of the earth. His heart is to reach us where we live in a way that we can relate to. This is called culturally relevant ministry.

Relax, join in, and worship the Creator in your own way. We are open to dancing, drumming, clapping, singing, and joyful noises unto the Lord! If you wish to wear your regalia to our gatherings, do so!

The Bible is full of stories where God's people worshipped with drums, stringed instruments, rattles, singing, and dancing. Let's actively take part in what God has for us today! You are welcome here!

At our July 14 elders meeting, the elders presented a gift to the Mason family in honor of Madge Mason. Pam and Dorene accepted on behalf of the family. The elders received the following thank you card from the Mason family and I think we need to share the message with all elders. Madge had many friends and not everyone was at our meeting.

We know she would have enjoyed knowing she helped a little. May God bless each and every one of you. Love from the Mason family in memory of Madge Mason."

Losing a parent is very hard on all of us. We can only try to do what we think will make them proud of us. I think Madge is looking down on her family now and is very proud of all of them.
