My Sweet Lady,

With each moment of each day my heart skips a beat when thoughts of you come my way. You've been down with me since day one and one Christmas later you're still there. Considering the circumstances inside and outside of this fence, I'm honored to have you by my side. Have a Merry Christmas in L.A. and remember you're always in my heart and prayers. Merry Christmas.

With love, Michael (777)

Happy Birthday to my **daughter!** I won't go into the whole birth thingy; I know, you don't have to thank me! On Dec. 2, I received a gift from God, a precious baby girl.

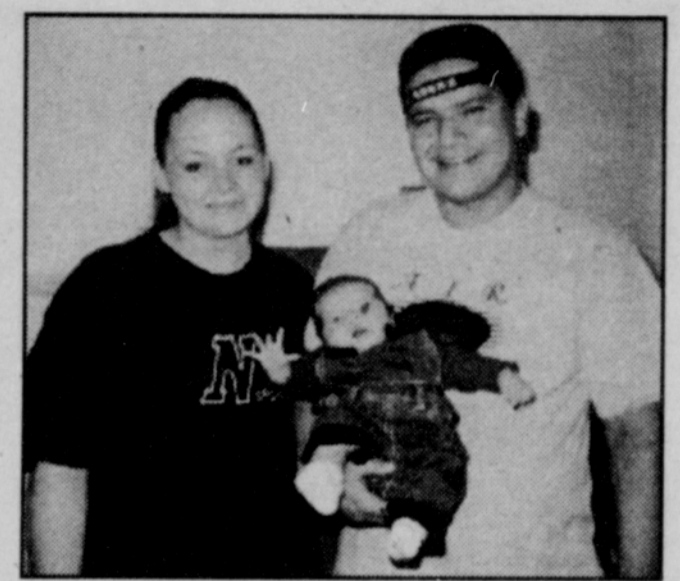

Chasta, you are a beautiful, terrific daughter. The love I have for you cannot be put into words. You have accomplished sooooo much! I am so proud. Besides raising three beautiful children, you have gained a job, a driver's license, a car and insurance, all while maintaining a home and running children back and forth to school, not to mention laundry, homework, cleaning, and paying bills. I just want you to know that you mean the world to us. Happy Birthday! **We love you!**

P.S. Sylvia made me do this!

Happy Birthday, Sharmaine Scott, from your three sons.
