Grand Funk Railroad to Perform

At its sweat-dripping best, the legendary rock band Grand Funk emits a surging, elemental blast of hard rock heat. Now you can enjoy this hard rock explosion when Grand Funk Railroad rolls into Chinook Winds Casino on Feb. 8 and 9.

Originally formed in Flint, Mich., in 1969, the band enjoyed mega-hits such as "We're An American Band," "I'm Your Captain/Closer to Home," "Locomotion," and "Some Kind of Wonderful" that still receive continuous airplay on classic rock radio. Legend has it that Prince named his first rock band Grand Central as a nod to Grand Funk.

Grand Funk has toured the world and can claim that its performance at New York's Shea Stadium, in 1971, sold out faster than The Beatles. The group's widespread appeal also is evident in its considerable recording achievements. Over its career, Grand Funk has had 19 charted singles, eight Top 40 hits, and two No. 1 singles

Grand Funk Railroad

("We're An American Band" and "Locomotion," both selling more than 1 million each). The group has 12 gold and 10 platinum records, with record sales in excess of 25 million worldwide.

The current group includes original founding members Don Brewer (vocals and drums, writer and singer of the hit, "We're An American Band") and bassist Mel Schacher. Their all-star cast includes singer Max Carl (38 Special, Jack Mack and the Heart Attack), lead guitarist Bruce Kulick (12 years with KISS and credits with Michael Bolton, Meatloaf, and Billy Squire) and

keyboardist Tim Cashion (Bob Seger and Robert Palmer).

Re-forming in 2000, Brewer and Schacher have created a dynamic and multi-talented five-piece band that will not only carry on the tradition of Grand Funk hits, but also has the potential to create a new chapter in the legacy of Grand Funk Railroad.

Don't miss the opportunity to see this legendary band at its hard rocking best at Chinook Winds on Feb. 8 and 9. The show is at 8 p.m. each night, with ticket prices ranging from \$25 to \$40, depending on seat location.
