Sugar Ray Leonard Boxing presents James "Lights Out" Toney vs. Jason Robinson. Toney is a former four-time world champion and currently ranked No. 3 by the WBA and No. 5 by the IBF. Robinson currently is the WBC Continental Americas champion and is ranked No. 12 by the WBC.

Bodybuilding, Women's Fitness & Figure Championship

More than 100 competitors will take part in the 2002 NPC Oregon Ironman Naturally - Bodybuilding, Women's Fitness & Figure Championships on May 18 in the showroom. This is the competition's fifth year at Chinook Winds, with bodybuilders from Alaska, Idaho, California, Oregon, and Washington.

This event is sanctioned by the National Physique Committee (NPC) and can be enjoyed by the entire family.

The pre-judging event begins at 10 a.m. and runs until approximately 1 p.m. The cost per ticket is \$15 and these tickets will not be pre-sold. They will be on sale at the door as early as 8 a.m. on May 18.

Pre-judging is where the actual judging is held and judges' decisions are made. It's what can be termed the "ballgame." This is where you'll see the athletes at their finest, sharpest condition.

The evening show is "Las Vegas" style reserved seating; \$20 tickets are still available. This is the festive, exciting finals, where athletes perform individually designed routines and receive their awards. Trophies are presented to the "top five" in each category.

Categories include all ages, from teen-age men to masters men and women, novice and advanced men and women bodybuilders, as well as women's fitness and figure competitors.
