We would like to wish a happy birthday to our beautiful daughter, Glendora.

Lots of love, Mom and Dad

Thanks so much! I just want to thank all the family members and friends who helped Jeremy celebrate his graduation – my Mom and Dad, my daughter, my sister and her family, and aunts, uncles, and cousins. I would like to especially say thank you to my Aunt Sis and tribal elder Maria Westervelt for coming all the way over from the coast to celebrate with us. It's a wonderful sight to see tribal elders honoring our young people.

We are so proud of you, Jeremy, and we love you a lot!

Happy Birthday, **Mom!** It has been a long time since you came into my life. I appreciate all of the things that you do for me.

You have been there for a lot of first big moments in my life, and for all of that I am so thankful. Thank you for putting up with me as a rotten pre-teen and teen-ager. Thank God I grew out of it. Happy Birthday on the Fourth of July. Thanks for being a mom.

Love, Selina

Thank you to everyone who showed your love and support during the passing of my grampa, Ouchie Rilatos. He is going to be missed by everyone who knew him. He was an awesome papa to all of us grandkids and great-grandkids.

Thank you, Selina Kissinger
