

## Mentoring Program Begins

When Chinook Winds Casino was first envisioned by the Siletz Tribal Council, three of the council's main goals were to provide jobs to all tribal members seeking employment, provide a means for tribal members to advance within the organization, and promote the growth of tribal staff into management positions.

After years of work on developing a program to achieve these goals, the Siletz Tribe and Chinook Winds management are pleased that the Mentoring/Protégé Program has begun.

The first Siletz Tribal member to be selected to participate in the Mentor/Protégé program is Amy Rouske-Garrett. She's the first of three protégés who will begin a three-year rotation in the program before the end of January 2003.

Amy Rouske-Garrett

Amy was selected from a group of very qualified candidates. She brings six years of management experience in the health care field to the program. Her colleagues describe her as self-directed, showing high attention to detail, a dedicated and effective leader. Her experience brings value to the intent of the Mentor/Protégé Program,

## SalsaFest Features Comedian, Dance

which is to provide Chinook Winds with qualified Siletz Tribal members who will help form the future management team.

The Mentor/Protégé Program has been designed to allow each protégé a specific amount of time in each department. Amy will begin her curriculum in Human Resources.

## Lincoln City Kite Festival

School is out, the weather is great, there's time to play, and time to get ready to fly and imagine. It's time to start building your kites to fly in the Lincoln City Fall Kite Festival on Sept. 21 and 22. The festival is sponsored by the Lincoln City Visitor & Convention Bureau and the Lincoln City Kite Friendship Association.

Among the activities included are dual line kite demonstrations, a kite boarding exhibition, a kite ballet competition, and Rokkaku battles. Beginner and expert flyers are invited to participate in the show and join in the fun.

Awards will be given for best miniature kite, best theme kite, best sea life kite, best cartoon or fictional character, as well as other categories, and special attention is paid to kite shape as well as decoration.

Throughout the weekend, kites of particular kinds will be flown in mass ascensions of red, white, and blue kites, theme kites, and sea life kites.

This year's theme is "Imagine," and whatever you imagine can be flown! So choose your favorite dream and build it to fly at the D-River Wayside in Lincoln City. The flying is never finer than in Lincoln City, voted as the best kite flying location in North America by *Kitelines Magazine*.

For more information on kite building and kite flying and for a complete list of festival activities, contact the Lincoln City Visitor & Convention Bureau, 1-800-452-2151 or 541-994-8378.
