## Income Limits Expand on Home Rehab Grants

At the July regular meeting, Tribal Council approved the Over Income Construction Rehabilitation Program Policy. This new program provides grants of up to \$5,000 to tribal households whose income exceeds the limits for other tribal housing rehabilitation programs. Council budgeted \$100,000 for this new program.

Application must be received in our office by 4:30 p.m. on Sept. 30, 2002. A lottery process will be used to determine the order in which applicants will be served. Contact the Siletz Tribal Housing department at 1-800-922-1399 or 541-444-2532 to have an application mailed or faxed to you.

If you have any questions about the program or application, contact Howard Roy, Housing Improvement Program coordinator, at 1-800-922-1399, ext. 331 or 541-444-833.
