First Youth Soccer Camp a Success

by Laura Littleton, Youth Center Summer Intern

The Siletz Tribal Youth Center sponsored a week-long soccer camp for local youth in August. Youth participants learned different skills consisting of passing, trapping, and teamwork. Sherri Groh, environmental planner, and myself served as instructors for 10 youth age 5 to 12.

While we worked these kids hard, they had fun, and some discovered that

they enjoyed playing soccer. At the end of each day, we allowed the kids to scrimmage. This time allowed each child to discover if he/she liked one position better than another. One participant discovered that he liked to play the goalie position because he could use his hands.

We hope to continue this camp next summer, with just as much fun.

Death Benefits Increase

On July 1, 2002, the Siletz Tribal Council passed a resolution increasing death benefits to \$6,000 (previously \$5,000).

It's important for every tribal member to fill out a Death Benefit Beneficiary Designation Form. When a tribal member passes and doesn't have a beneficiary form on file, the money left over after funeral expenses are paid remains with the tribe.

Please be sure that your designated beneficiary is age 18 or older.

If you don't have a beneficiary form on file, please call the Enrollment Department and request one. If you have other questions, please call Loraine Butler in Enrollment at 541-444-8258 or 1-800-922-1399, ext. 258.
