Happy New Year to everyone. I hope you made some resolutions to work on nutrition this year, which brings me to something new we have to offer at USDA.

Our program needs your help to provide nutrition education. Thus, we have an incentive reward for you if you come in and prepare an entrée using the nutritious commodities that clients receive in their monthly food package. You will receive a gift certificate for \$20 that you may use at Fred Meyer to purchase items for your kitchen.

For more information about this great incentive, please come by and see us or call 1-800-922-1399, ext. 393, or 541-444-8393.

Robert Kentta accepts his award from Tina Retasket.

Sherri Groh receives her award, plus a specially decorated hardhat.
