## Pearson Serves in Iraq

by Eva Pearson

This is my husband, Adam K Pearson (the bald one kneeling back), in a photo taken moments after they found \$5.2 million in a town outside of Baghdad, Iraq, in June 2003.

Adam is 25 years old and currently is a military policeman in the U.S Army. He was stationed at Fort Riley, Kan. He's married with two beautiful children, a 6-year-old boy and a 1-year-old girl.

He loves his family and his country. He proudly served in Iraq, where he received the Medal of Valor, and a few other countries before Iraq. He's been in the military now for six years.

We love him very much and are very proud of him and all that he has accomplished. He is and always will be our hero.
