EPA Summer Jobs

Our Web site, EPA Summer Opportunities for Students, is now up and running. It provides a central place for students to learn about EPA programs, offices, and summer employment opportunities.

Having a central spot will make it easier for students to find information about specific areas in which they would like to work. They also will be able to submit a job application directly to the EPA location that has a vacancy.

The EPA Jobs Web site is located at www.epa.gov/epapages/epahome/jobs.htm. The direct link to the Summer Student Employment Opportunities Web site is www.epa.gov/ohros/student.

The Summer Student Employment Opportunities Web site will be available until June 5, 2004. The Office of Human Resources will provide supporting services by maintaining the Web site, collecting applicant and hiring data, and evaluating the process at the end of each summer.

The EPA Summer Opportunities for Students Web site is a wonderful new hiring tool that will be useful for students looking for summer work and EPA offices that have summer vacancies to fill.

Veterans Needed for Honor Guard

by Margo Hudson

The Siletz Tribal Honor Guard is looking for volunteers to serve on it. We do special events, funerals for veterans, and parades.

Tribal Council generously provided funds to purchase part of the honor guard uniforms. I'm looking for volunteers in different areas because we would like to broaden our area of service, but need help in finding veterans who are willing to serve, even if part-time.

I'm building a calendar of events and ordering uniforms. After four or more events at which you serve on the Siletz Tribal Honor Guard, Tribal Council has

allocated funds to purchase an additional item for your uniform. It's a surprise and only available while funds exist.

Training will be provided once we have established enough people for an honor guard. I have been designated as the staff representative for the veterans.

Please call or write to let me know that you are interested. My telephone number is 1-800-922-1399, ext. 1303, or 541-444-8303. My mailing address is Margo Hudson, Veterans Representative, Siletz Tribe, P.O. Box 549, Siletz, OR 97380-0549.
