and all Chinook Winds staff welcome the hotel employees to our expanding family. We look forward to sharing the advantages of being part of this company," added Jim.

Many guests visit Chinook Winds for the headline entertainment, conventions, conferences, and special events. Acquiring the property increases the amenities that Chinook Winds has to offer them by enhancing their visit to the region. Special packages will be offered for guests of the casino.

Larger and more esteemed conventions will be attracted to the Lincoln

City area because of the new hotel ownership and the casino's more than 30,000 square feet of convention space. These groups, along with weddings and family reunions, are anticipated to bring more spending dollars to all area businesses.

Along with a heated indoor swimming pool, spa, and sauna, the hotel consists of 61 suites and 186 rooms; 206 have ocean-front views and many with direct beach access. Suites include a gas fireplace, ocean-view balcony, wet bar, VCR, microwave, and refrigerator.

A full-service restaurant and more than 7,000 square feet of meeting space are included in the purchase.
